## Profile

---

I am a skilled web developer with expertise in Laravel, WordPress, and WooCommerce. I have successfully created responsive, user-friendly interfaces and multi-vendor e-commerce platforms. My proficiency in integrating dynamic features and maintaining seamless user experiences can significantly enhance a company's online presence and operational efficiency.

| 2022/12 – present | <b>PHP WordPress Developer</b>           |
| Ahmedabad         | <i>The Quantumtech</i> <a href="#">🔗</a> |
| 2022/05 – 2022/10 | <b>WordPress Developer</b>               |
| Ahmedabad         | <i>web999</i>                            |

## Education

---

|           |  |
|-----------|--|
| Ahmedabad | <b>MSC.IT</b>                              |
|           | <i>BAOU</i>                                |
| ahmedabad | <b>PGDCA</b>                               |
|           | <i>Gujarat Vidyapith</i> <a href="#">🔗</a> |

## Projects

---

### **frigate-express** [🔗](#)

*Harnessing WordPress with Laravel*

Integrate WordPress blog pages and individual post links seamlessly into your Laravel application for a cohesive user experience.

### **unique aroma** [🔗](#)

*WooCommerce website*

Developed a WooCommerce website and integrated standard payment gateways for seamless online transactions.

### **The Quantum Tech** [🔗](#)

Designed, developed, and maintained responsive website pages ensuring optimal user experience across all devices.

### **Halloween Plugin** [🔗](#)

*Halloween Related Animation*

Developed a Halloween plugin featuring three animations controllable via the admin panel using AJAX. Ensured smooth and dynamic user interactions through real-time updates.

### **med8** [🔗](#)

*Laravel Multivendor ecommerce*

Developed a multi-vendor e-commerce platform using Laravel, enabling multiple sellers to manage their products and transactions. Implemented features for vendor management, order processing, and payment integration.

**Skills**

---

|            |                    |
|------------|--------------------|
| HTML5      | CSS3               |
| JQuery     | JavaScript         |
| PHP        | MySQL              |
| Git/GitHub | Plugin Development |

**Framework**

---

|           |           |
|-----------|-----------|
| WordPress | WIX       |
| Laravel   | Bootstrap |
